Contents of the Party Pack

Marketing
Materials

Pattern
Templates

Use cardboard or cardstock to create duplicate patterns for your party guests.

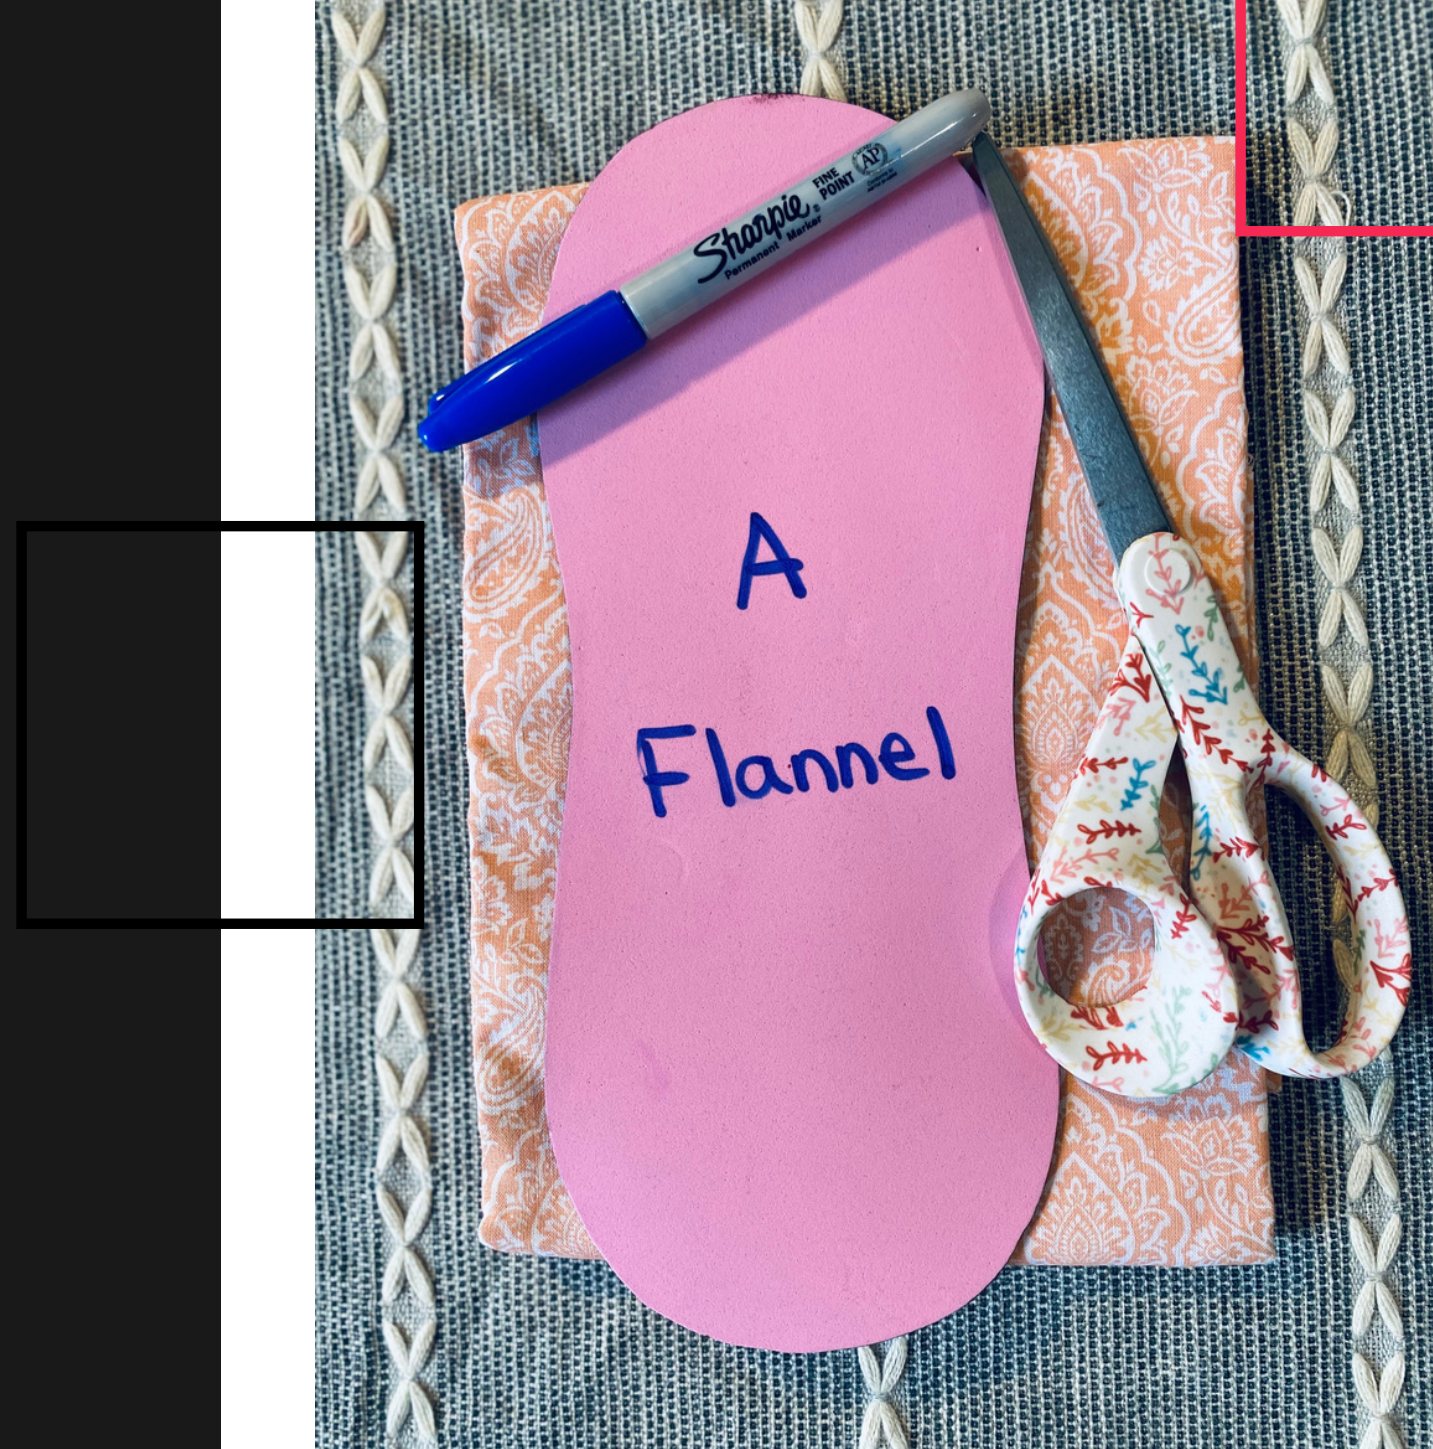

Plan on 1-2 yards of fabric / guest

**Before the
guests arrive:**

**Lay out one yard of
fabric, with the
corresponding
pattern, scissors
and a sharpie.**

Repeat that process to create one group of supplies for each guest.

Party Time!

01. Show Video

Show guests the video on your jumpdrive and explain why this party is so important!

02. Give Instructions

Explain the steps to your party guests.

03. Trace & Cut

Use the patterns to trace onto the material and then cut out the fabric.

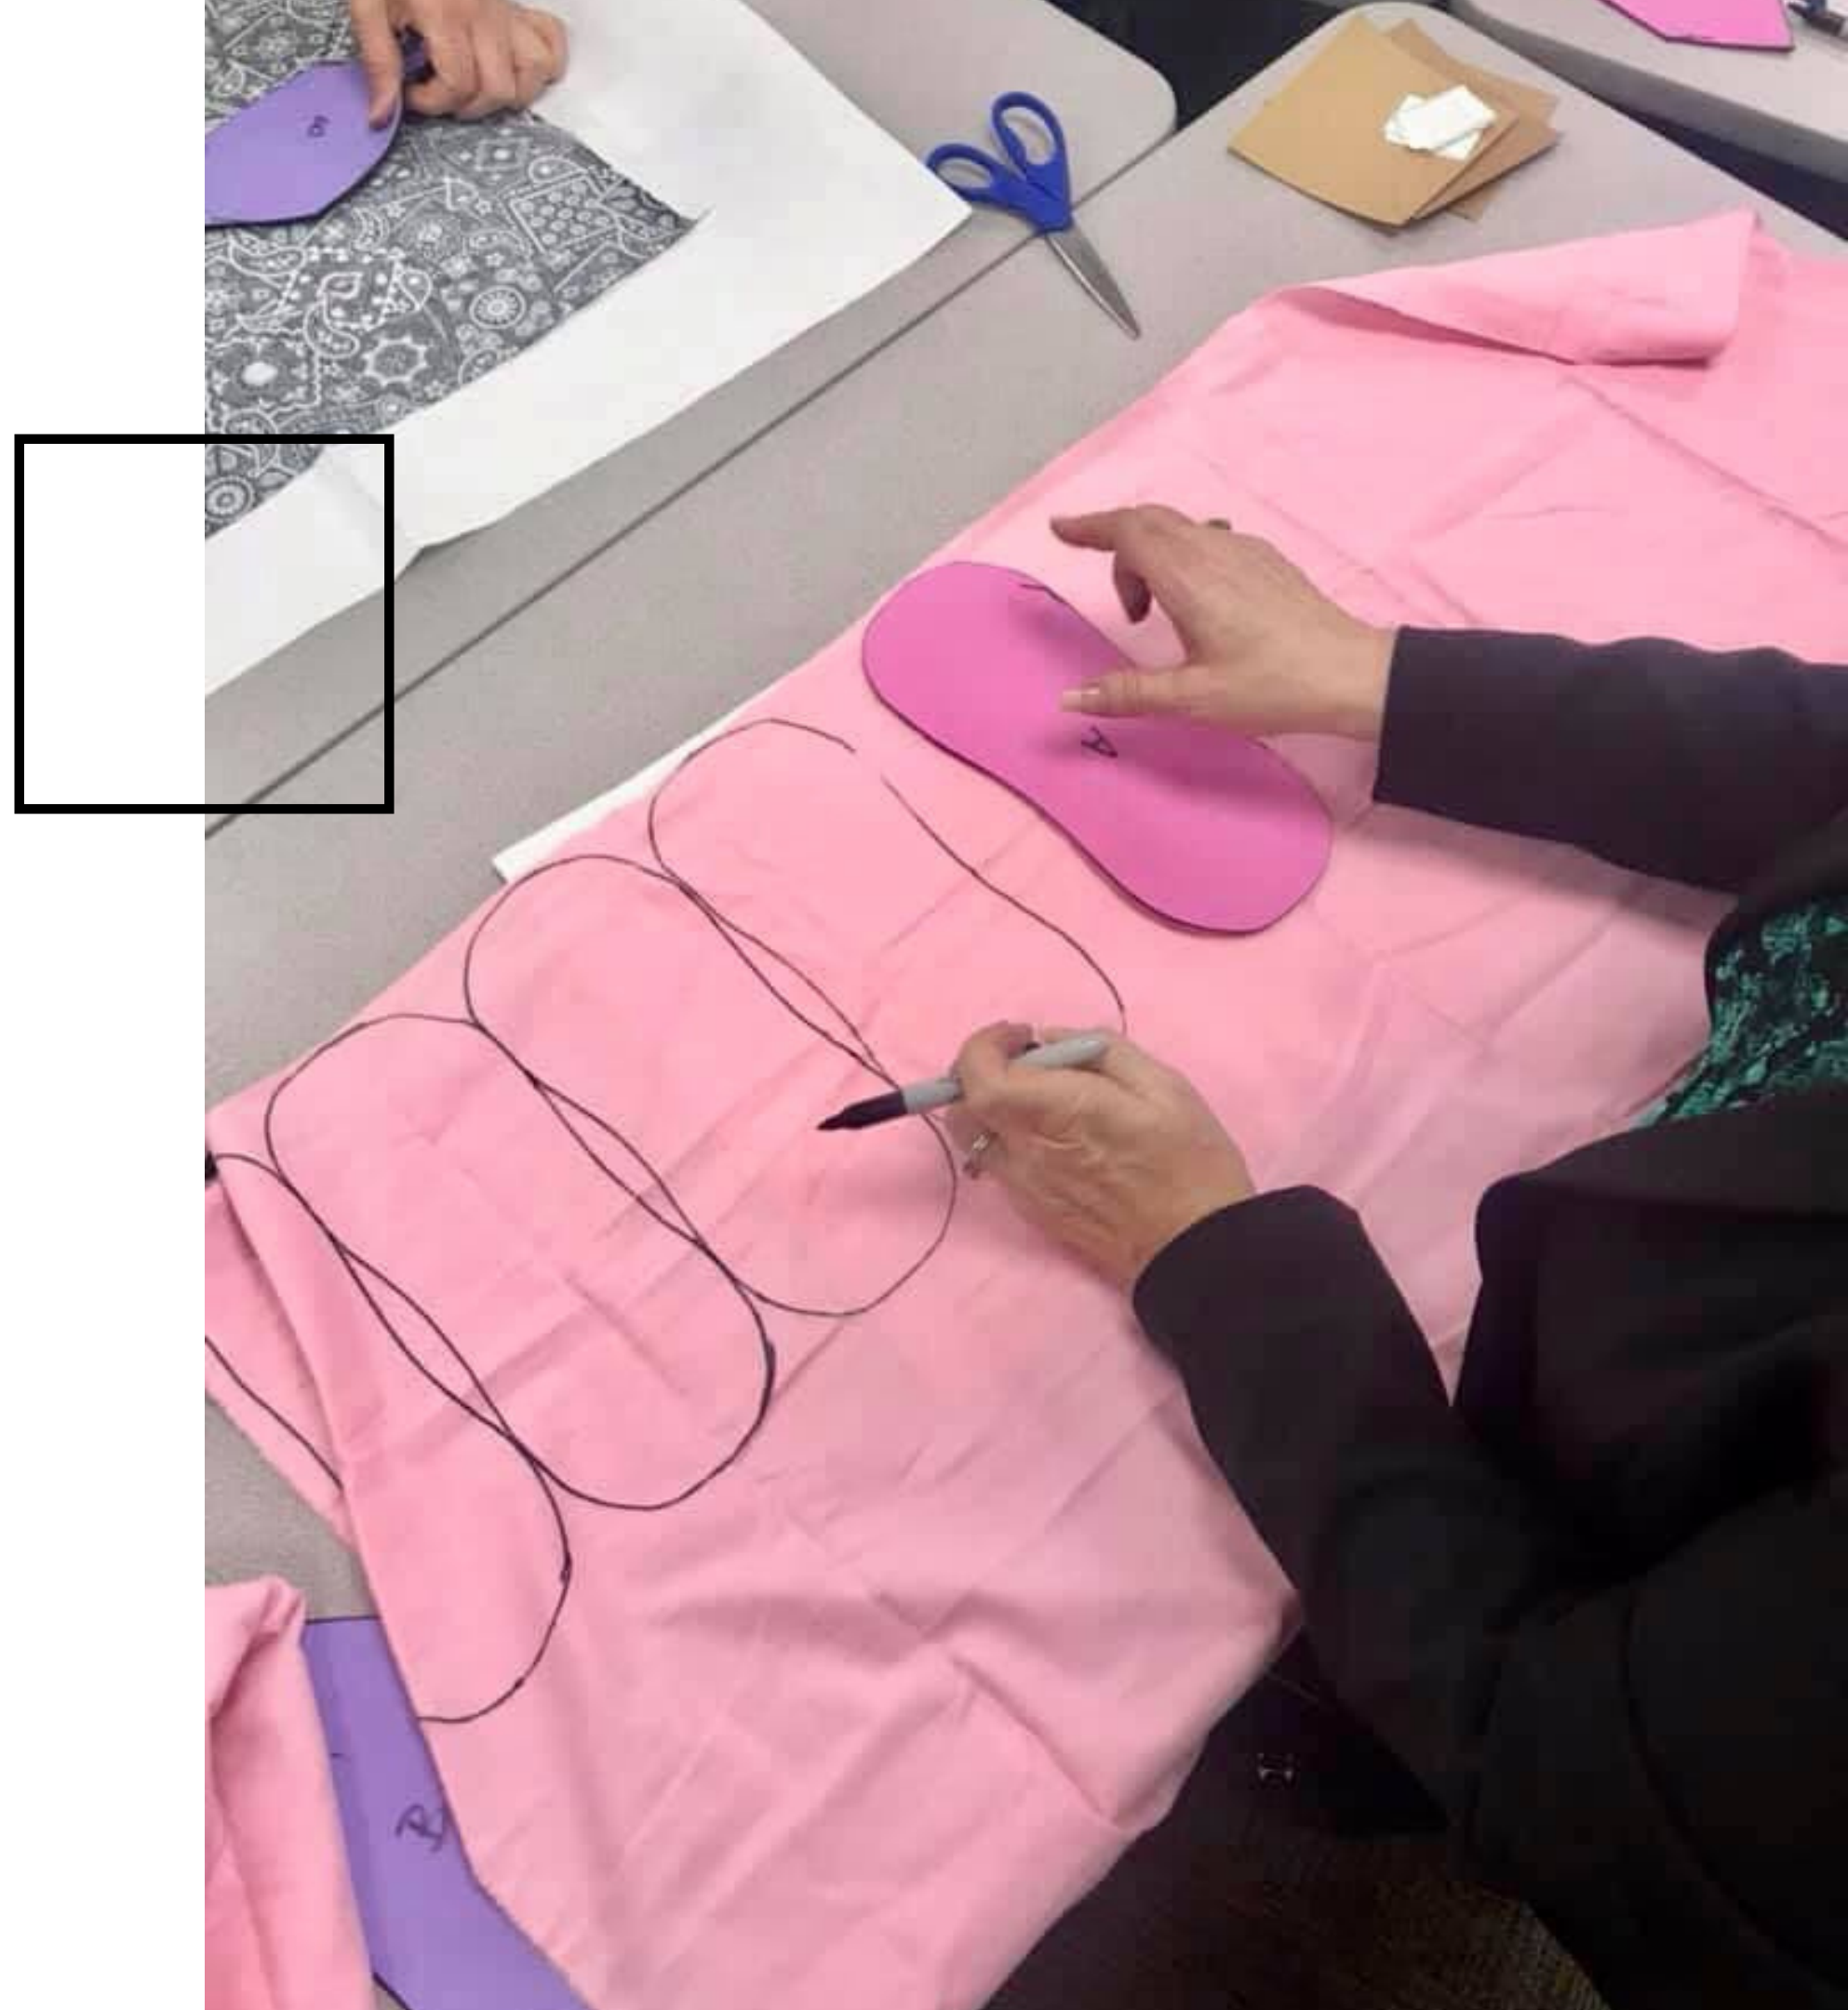

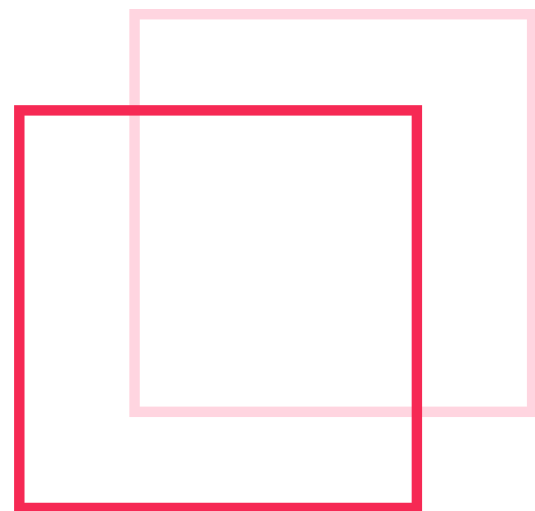

04. Collect fabric

When finished, placed the cut material into piles to be boxed up and sent to us.
We will get it to Honduras!

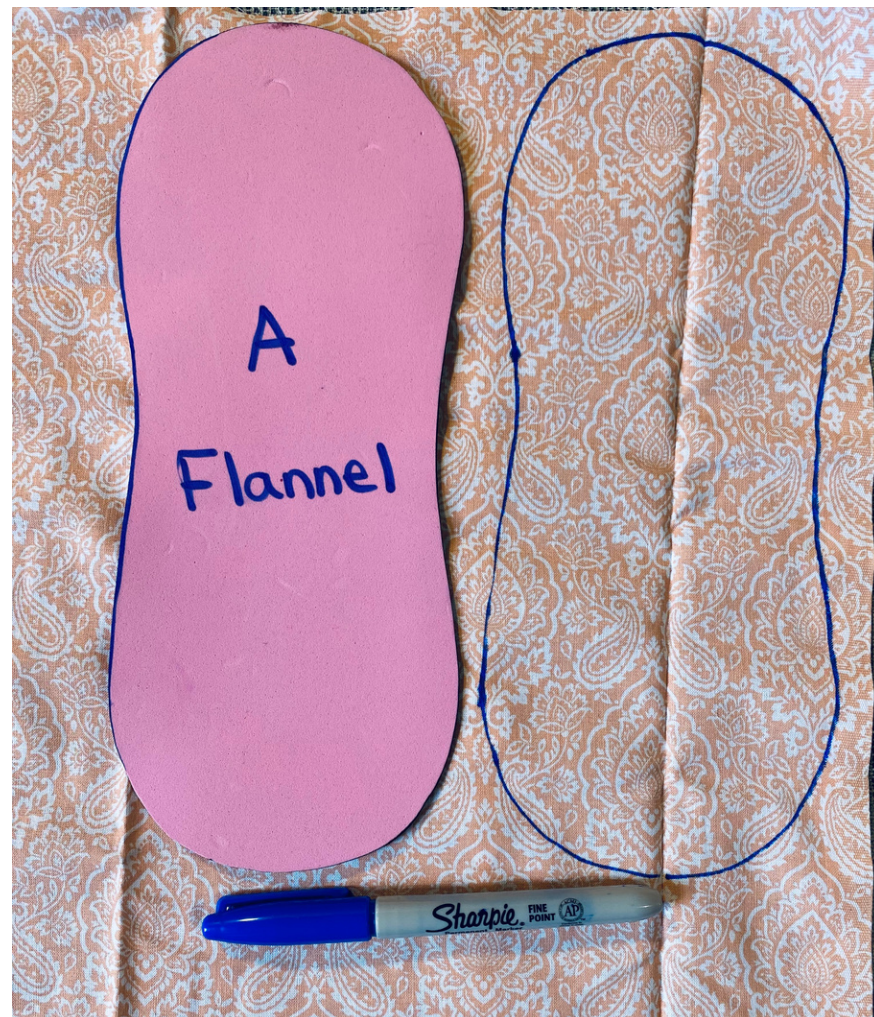

**Show the video
to your guests
and talk about
the mission of
Pink Box
Purpose and
why these pads
are important.**

**Explain the
instructions to
your guests.**

**Trace and cut
the material.**

**Collect the
material when
guests are done.**

**Package the material
up and send it to our
shipping address:**

**Pink Box Purpose
W9262 Patnode LN
Arkansas, WI 54721**

**We will make
sure your
material
arrives in
Honduras
where it will be
sewn into pads
for women
and girls!**

**And the pads will be
distributed to women
and girls in Honduras!**

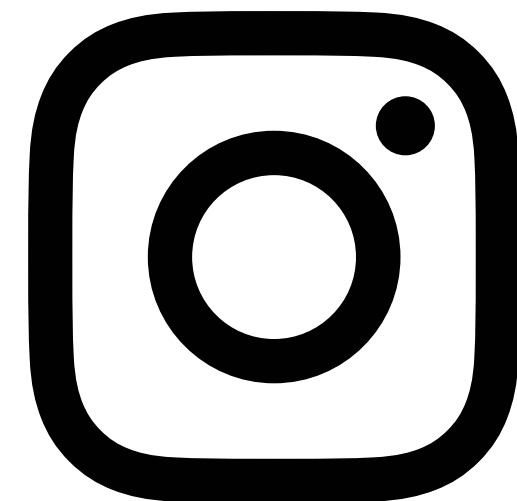

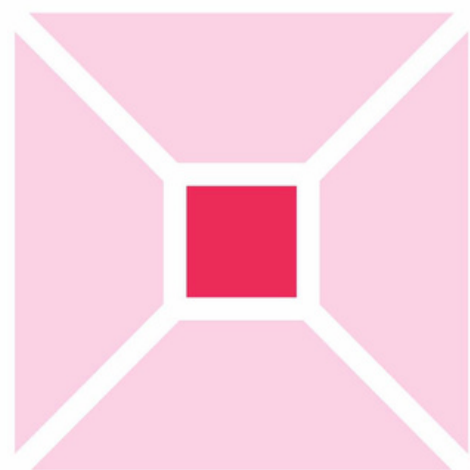

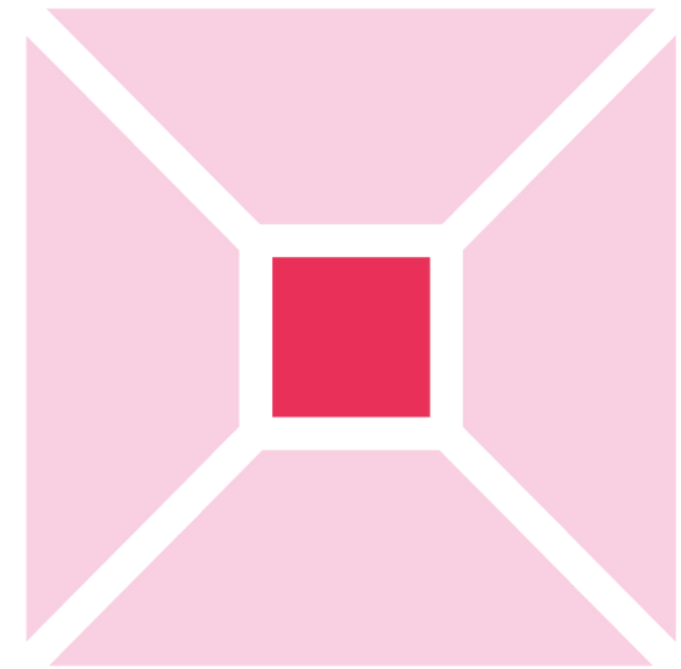

Share about your party on social media!
