PINK BOX PURPOSE

Gracias

We are an International Christian non-profit organization serving females in Honduras.

Pink Box Purpose exists to empower vulnerable females through menstrual hygiene and sexual reproduction health education, sexual abuse awareness, building community, and entrepreneurship training, while sharing about the love of Jesus.

We work with females living in extreme poverty by serving their schools and communities, and educating them on the use of our Pink Box Purpose Re-useable Menstrual Hygiene Pads.

We currently employ 12 local female Hondurans to sew our Re-usable Menstrual Pads at our Hygiene Headquarters in Olanchito, Honduras.
